

VOICE Charter School's First Grade
Multi-Cultural Festival

A journey around the world

Friday, March 26th, 2010

2:00 - 4:00 pm

Please join Mr. Berman & Miss Murray's first grade classes to share your culture! We will create centers for different countries and cultures. The children will "visit" each center to learn some fun facts about each country and receive a stamp in their passport. This project will support the social studies curriculum. We will need lots of help. We are still planning the event, so all ideas are welcome! If you are unable to run a center, you are more than welcome to attend!

Please fill out the slips below and return them to school. You will be contacted soon with more details.
