

VOICE Charter School—Second Grade

Dear Families,

Last week, we went on a field trip to the 92nd Street YMCA to watch the Boston Brass Group play. It was such an amazing concert and the children really enjoyed themselves! Thank you to the parents who volunteered to chaperone! There are important upcoming events that we would like you to keep in mind. On March 19th, the Second Grade has been invited to perform at Queens College. A letter was sent home asking if you would like to come and view their performance. If you did not receive it, please let us know. Also, report cards will be sent home on the 15th and parent-teacher conferences will follow. A note will be sent home to schedule the meetings. Lastly, if for some reason homework sheets for the week do not make it home, you can view it on VOICE Charter School's website at www.voicecharterschool.org. Click on Parents, then Homework, and scroll down to Second Grade. If you have any questions, please email us. Thanks again for your continued support!
