MISSION STATEMENT

The mission of VOICE Charter School is to create a safe and healthy learning environment that will nurture, motivate, and challenge all of our children to achieve the highest level of academic excellence and to develop into mindful, responsible, contributing participants in their education, their community, and the diverse society in which we live.

g. KEY DESIGN ELEMENTS (Regents, NYCDOE, and Buffalo BOE authorized schools only)

KEY DESIGN ELEMENTS (Briefly describe each Key Design Elements (KDE) as presented in the schools approved charter. KDEs are those general aspects of the school that are innovative or unique to the school's mission and goals, are core to the school's overall design, and are critical to its success.

KDE 1	At VOICE staff and leadership believe that all students are capable of performing at high levels; and that adults are responsible for cultivating the right conditions and employing effective strategies to ensure that each student finds success. VOICE provides rigorous instruction and practice in all subjects, including the arts, to equip students with the habits and skills necessary to enter competitive high schools and eventually pursue high-level work in the area of their choice. Despite limited resources in our area, we believe in offering a pedagogy of choice rather than one of poverty.
KDE 2	VOICE implements a rigorous, Common Core-aligned curriculum, utilizing Teachers College and EngageNY, to ensure that students are prepared to reach mastery in ELA and math. A spiraling curriculum in all subject areas allows students to build upon and develop skills and strategies at each level of instruction.
KDE 3	Unique to VOICE is arts-infused model in which

	<p>students take 5-10 arts/music classes per week. Rather than treating the arts as enrichment, we see these disciplines as necessary in exploring a full spectrum of modes of thinking, individual practice, group dynamics, and the world's cultural heritage.</p> <p>As such the arts programs at VOICE are taught with the same level of rigor, assessment, and differentiation as the core subjects.</p>
KDE 4	<p>We are a Professional Learning Community. VOICE's organizational culture is one that privileges collaboration, team decision-making and peer leadership among staff. It is the responsibility of the Board and Principal to provide the necessary supports for this type of community to flourish:</p> <p>open communication, access to resources, professional development, opportunities for upward mobility, and a safe, joyful, student-oriented environment.</p>
KDE 5	<p>A defining feature of our school is not only to engage in constant dialogue about our school values, formally and informally, among school staff, students, and parents.</p> <p>Regular professional development sessions and staff meetings are dedicated to teaching and learning school culture. School values concepts are integrated across subject areas and referenced often as touchstones of our school's community.</p>

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2019-2020	Describe Retention Plans in 2020-2021

Economically Disadvantaged	<p>VOICE's population is more than three-quarters economically disadvantaged, so student retention efforts are focused on maintaining a culture of excellent academic programs, a positive school culture, and frequent home-school communications. VOICE retained 93% of eligible returning ED students from 2018-19 to 2019-20.</p>	<p>In addition to all the previous strategies, during the Covid related closures we provided computers and internet access to families who were unable to secure that. We also partnered with Hour Children Food bank to provide assistance to families struggling with food security.</p>
English Language Learners/Multilingual Learners	<p>VOICE retained 100 percent of students classified as ELL in 2018-19 who were eligible to return.</p> <ul style="list-style-type: none"> - VOICE loses more ELL classified students to former-ELL classification than it does to withdrawals. Efforts to retain ELL students are largely similar to the general population discussed above. In addition, VOICE works to ensure that families of Former ELL students whose parents have not yet attained proficiency in English feel supported in their native language (through interpretation services) and kept involved in the school community (through events and curriculum that recognize their community's contributions). - VOICE continually works to improve non-English, non-Spanish speaking parental involvement and linguistic support. 	<p>Continuation of existing efforts</p>
	<p>93 percent of eligible Students with Disabilities status in 2018-19 returned in 2019-20.</p> <ul style="list-style-type: none"> - VOICE uses the approaches of Integrated Co-Teaching (ICT), Special Education Teacher 	

Students with Disabilities	Support Services (SETSS), and counseling to provide an inclusive education to all students. - To improve the retention rate of SWD, the intervention team coordinates with classroom teachers, parents, and the CSE to ensure that the mandates of each student's IEP are met. BOARD DELIBERATIONS

1. Mr. Cohen called the meeting to order at 6:35 pm. Mr. de Luna served as meeting secretary. Mr. Cohen noted that the meeting via Zoom would be accepted by the State, given the COVID-19 pandemic, adding that it would be recorded and transcribed.
2. On behalf of the Admissions and Planning Committee, Mr. Ford reported that enrollment was frozen during the pandemic. The number of applications for next school year had been tracking the same as last year until the broad onset of the pandemic, at which point applications dropped off precipitously; the school ultimately received 1,103 unique applications, which reflects a decline of 27% from last year. The school's lottery took place on April 13, and enrollment and registration have begun on-line; parents can also schedule a meeting to enroll in person. Research has begun to determine which currently enrolled students may not be returning in the upcoming school year.

All students will learn. All students will sing.

3. Mr. Ford led a discussion to determine the number of students to be admitted under next year's free-lunch preference. After a motion duly made and seconded, the board approved seven free-lunch preference slots.
4. On behalf of the Finance Committee, Mr. Grassey reported that VOICE and Cigna Health Care had agreed to renew the medical insurance contract, with a 10% increase. He added that VOICE had submitted an application to Citibank for a PPP small business loan and was awaiting a response. The committee was also working on the 403b plan for a handful of non-pedagogical employees. In addition, work is underway on a budget for the upcoming fiscal year that factors in the impact of the pandemic, including the possibility that the school could receive less funding from the state.
5. On behalf of the Human Resources Committee, Mr. Karp reported his committee would be meeting with the Finance Committee to discuss the impact on staff. Mr. Cohen added that ideas were welcome on how to better help students and improve the school.
6. In his Principal's report, Mr. Headley reported on VOICE's transition to virtual education. He noted VOICE's work to provide food to students and their families in need. He reported that VOICE did not receive any help from the Charter Center in its efforts to make sure every student has a computer at home on which to do school work; VOICE nevertheless distributed as many computers as it has students. Efforts are being made to support staff, with something different every week, including exercise equipment for the home, face masks, and online streaming service. Mr. Headley added that budgetary decisions were very unsettled, and upcoming discussions by the City Council and a call with the state's three charter school authorizers would both be important to follow. He added that a return to campus was unlikely for the remainder of this school year, and planning was underway to think through preparedness for the different possible scenarios for the fall.
7. The meeting was adjourned at 7:47 pm.

11. Mr. Cohen shared high school admission highlights from VOICE's new graduating class, as well as a few college admission highlights from VOICE's first graduating class.
